

## **Statement of Commitment and Understanding for Volunteers**

As a volunteer for the Department of Veterans Affairs (VA), I am committed to safeguarding the personal information that veterans and their families have entrusted to the Department. I am also committed to safeguarding the personal information which other VA trainees and VA employees have provided.

To ensure that I understand my obligations and responsibilities in handling the personal information of veterans and their families, I have completed both the annual General Privacy Awareness Training (or VHA Privacy Training, as applicable) and the annual VA Cyber Security Training. I know that I should contact the local VA Privacy Officer, Freedom of Information Act Officer, Information Security Officer, or Regional or General Counsel representative when I am unsure whether or how I may gather or create, maintain, use, disclose or dispose of information about veterans and their families, other VA trainees and VA employees. Should I encounter any difficulty in identifying or reaching these individuals, I understand that I should contact my service chief, or failing that, the Chief of Staff, to seek guidance.

I further understand that if I fail to comply with applicable confidentiality and security statutes, regulations and policies, I will be removed from VA assignment. I may also be subject to civil and criminal penalties including fines and imprisonment.

I certify that I have completed the training outlined above and am committed to safeguarding personal information about veterans and their families, other VA trainees and VA employees.
